- CGPA: 8.70

SDHR Junior College, MPC	2018- 2020

- CGPA: 9.29

Gautam Talent School	2017 – 2018

- CGPA: 9.5

Skills

Programming Language : Core Java

Technologies : HTML, CSS,JavaScript

Database Query Language : SQL

Manual Testing

Projects

Offensive language Detection on Social Media Based on Text Classification

To increase the prevalance of offensive language on social media platforms poses a significant threat to individuals and communities, often leading to bullying and emotional harm. We propose a robust model by using machine learning algorithms, NLP techniques and embedding techniques including TF-IDF,SVM,CNN to get the highest average F1-Score.

Achievements

- Obtained certificate on **SALESFORCE DEVELOPER CATALYST** conducted by **APSCHE**
- Obtained certificate on **PYTHON SOFTWARE DEVELOPER** by **QSpire**
- Obtained certificate on **DATA SCIENCE** by **ACADEMOR EDTECH**
- Obtained certificate on **WEB DEVELOPMENT** by **MAIN FLOW SERVICES AND TECHNOLOGIES PVT.LTD**

Interest

- Participating in Social Activites.

- Cooking.
